Mission Support Alliance Provision

2.0 ORDER OF PRECEDENCE

- A. In the event of a discrepancy among any of the Subcontract terms, conditions, clauses, provisions, written direction and instructions, and documents (collectively, the “Subcontract”), the following order of precedence shall govern resolution: (1) Buyer's written Subcontract modifications, direction, and instructions; (2) Subcontract form and clauses, including clauses incorporated by reference; (3) Technical instructions, including the Statement of Work (SOW), drawings, exhibits and attachments, and applicable standards; (4) Special Provisions; (5) General Provisions; and (6) other documents identified as being part of the Subcontract.
- B. Nothing recited above shall be construed as superseding or deleting any applicable statute, rule, ordinance, or regulation (collectively, the “laws”). In the event of a conflict with laws, the specific conflicting term of the Subcontract shall be considered null and without effect, and laws shall govern. All remaining terms unaffected by said laws should continue in force.

3.0 SAFETY AND QUALITY STANDARDS

3.1 INSPECTION, TESTING, AND QUALITY CONTROL

- A. Subcontractor shall inspect all materials, supplies, and equipment which are to be incorporated in the work. In addition, Subcontractor shall conduct a continuous program of quality control for all work. When requested by the Buyer, Subcontractor’s quality control program and inspection procedures for the foregoing shall be submitted in writing to Buyer for review and approval, in sufficient detail to delineate those items to be inspected and the manner in which they are to be inspected, and shall adequately describe all quality control activities contemplated, including provision for adequate documentation of Subcontractor’s performance of such quality control and inspection.
- B. Subcontractor shall, during the course of performance of the work hereunder, without additional compensation, make or cause to be made all tests required by this Subcontract. Buyer may require additional inspections and tests. Subcontractor shall furnish Buyer with satisfactory documentation of the results of all inspections and tests. Buyer shall be given not less than five (5) working days notice of any tests to be made by Subcontractor or any of its lower-tier Subcontractors in order that Buyer may witness any such tests.
- C. Buyer and the Government and their representatives, and others as may be required by applicable laws, ordinances and regulations, shall have the right at all reasonable times to inspect the work and all material, supplies and equipment for the work. Subcontractor shall provide, or cause to be provided access and sufficient, safe and proper facilities for such inspections. Neither the failure to make such inspection nor to discover defective workmanship, materials or

Mission Support Alliance Provision

equipment, nor approval of or payment to Subcontractor for such work, materials or equipment shall prejudice the right of Buyer or the Government.

- D. If Subcontractor covers any portion of the work prior to any inspection or test provided for in the specifications, inspection schedule, or as previously requested by Buyer, the cost of uncovering and covering the work to allow for such inspection or test shall be borne by the Subcontractor. Buyer may order reexamination of any work. In the event of such reexamination, if any material, equipment or any part of the work is determined by Buyer to be defective, Subcontractor shall not be reimbursed for uncovering, repair or corrective and restoration costs. If such work is found to be in accordance with the Subcontract requirements upon such reexamination, Buyer shall pay Subcontractor the cost of uncovering and restoration.
- E. Rejection by Buyer of any or all parts of defective work for failure to conform to this Subcontract shall be final and binding. Such rejected work shall be promptly corrected or replaced by Subcontractor at Subcontractor's expense. If Subcontractor fails to commence and diligently continue correction or replacement of such rejected work immediately after receipt of written notice from Buyer to correct or replace the rejected work, Buyer may at its option remove and replace the rejected work, and Subcontractor shall promptly reimburse Buyer for the costs of such removal and replacement of defective work.

3.2 CONDITIONS AND RISKS OF WORK

Subcontractor represents that it has carefully examined the drawings and specifications for the work and has fully acquainted itself with all other conditions relevant to the work, and its surroundings, and Subcontractor assumes the risk of such conditions and will, regardless of such conditions, the expense, difficulty of performing the work, or negligence, if any, of Buyer, fully complete the work for the stated Subcontract price without further recourse to Buyer. Information on the site of the work and local conditions at such site furnished by Buyer in specifications, drawings or otherwise is not guaranteed by Buyer and is furnished only for the convenience of Subcontractor.

3.3 COUNTERFEIT FASTENERS AND COMPONENTS

Buyer reserves the right to question and/or require Subcontractor to certify and/or furnish proof regarding the quality, authenticity, application or fitness for use of the items supplied by the Subcontractor under this Subcontract. Any items furnished as part of this Subcontract and which have been previously found by Buyer, the Department of Energy, or the Department of Commerce to be counterfeit or which are listed by the Department of Commerce to be suspect will be deemed, without more proof, to be subject to the above requirement of further proof or certification. Buyer also reserves the right to question the circumstances and make available a report of any such review to the Government. All costs associated with conducting inquiries

Mission Support Alliance Provision

into and reporting on fasteners and components determined to be counterfeit shall be recovered by Buyer from Subcontractor.

4.0 TIMING OF WORK

4.1 REPORTING AND COORDINATION

- A. During the performance of work, Subcontractor shall submit to Buyer periodic progress reports on the actual progress and updated schedules as may be required by this Subcontract or requested by Buyer. In the event Subcontractor's performance of the work is not in compliance with the schedule established for such performance, Buyer may, in writing, require the Subcontractor to submit its plan for schedule recovery, or specify in writing the steps to be taken to achieve compliance with such schedule, and/or exercise any other remedies under this Subcontract. Subcontractor shall thereupon take such steps as may be directed by Buyer or otherwise necessary to improve its progress without additional cost to Buyer.
- B. Subcontractor recognizes that Buyer, the Government, other Subcontractors and lower-tier Subcontractors may be working concurrently at the jobsite. Subcontractor agrees to cooperate with Buyer, the Government and other Subcontractors and lower-tier Subcontractors so that the project as a whole will progress with a minimum of delays. Buyer reserves the right to direct Subcontractor to schedule the order of performance of its work in such manner as not to interfere with the performance of others.
- C. If any part of Subcontractor's work is dependent upon the quality and/or completeness of work performed under another Subcontract, Subcontractor shall inspect such other work and promptly report to Buyer any defects therein which render such work unsuitable for the proper execution of the work under this Subcontract. Failure to make such inspections or to report any such defects to Buyer shall constitute Subcontractor's acceptance of such other work as suitable to receive Subcontractor's work; provided however, that Subcontractor shall not be responsible for defects that could not have reasonably been detected.

4.2 DELAYS

- A. Except for defaults of subcontractors at any tier, the Subcontractor shall not be in default because of any failure to perform this subcontract under its terms if the failure arises from causes beyond the control and without the fault or negligence of the Subcontractor. Examples of these causes are (1) acts of God or of the public enemy, (2) acts of the Buyer in either its sovereign or contractual capacity, (3) fires, (4) floods, (5) epidemics, (6) quarantine restrictions, (7) strikes, (8) freight embargoes, and (9) unusually severe weather. In each instance, the failure to perform must be beyond the control and without the fault or negligence of the Subcontractor. "Default" includes failure to make progress in the work so as to endanger performance.

Mission Support Alliance Provision

- B. If the failure to perform is caused by the failure of a subcontractor at any tier to perform or make progress, and if the cause of the failure was beyond the control of both the Subcontractor and lower-tier subcontractor, and without the fault or negligence of either, the Subcontractor shall not be deemed to be in default, unless
 - 1. The subcontracted supplies or services were obtainable from other sources;
 - 2. The Buyer ordered the Subcontractor in writing to purchase these supplies or services from the other source; and
 - 3. The Subcontractor failed to comply reasonably with this order.
- C. Upon request of the Subcontractor, the Buyer shall ascertain the facts and extent of the failure. If the Buyer determines that any failure to perform results from one or more of the causes above, the delivery schedule shall be revised, subject to the rights of the Buyer under the termination clause of this subcontract.

4.3 STOP WORK

- A. The Buyer may, at any time, by written order to the Subcontractor, require the Subcontractor to stop all, or any part, of the work called for by this subcontract for a period of 90 days after the order is delivered to the Subcontractor, and for any further period to which the parties may agree. The order shall be specifically identified as a stop-work order issued under this clause. Upon receipt of the order, the Subcontractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to the work covered by the order during the period of work stoppage. Within a period of 90 days after a stop-work is delivered to the Subcontractor, or within any extension of that period to which the parties shall have agreed, the Buyer shall either—
 - 1. Cancel the stop-work order; or
 - 2. Terminate the work covered by the order as provided in the Default, or the Termination for Convenience of the Government, clause of this contract.
- B. If a stop-work order issued under this clause is canceled or the period of the order or any extension thereof expires, the Subcontractor shall resume work. The Buyer shall make an equitable adjustment in the delivery schedule or subcontract price, or both, and the subcontract shall be modified, in writing, accordingly, if—
 - 1. The stop-work order results in an increase in the time required for, or in the Subcontractor's cost properly allocable to, the performance of any part of this subcontract; and
 - 2. The Subcontractor asserts its right to the adjustment within 30 days after the end of the period of work stoppage; provided that, if the Buyer decides

Mission Support Alliance Provision

the facts justify the action, the Buyer may receive and act upon the claim submitted at any time before final payment under this subcontract.

- C. If a stop-work order is not canceled and the work covered by the order is terminated for the convenience of the Government, the Buyer shall allow reasonable costs resulting from the stop-work order in arriving at the termination settlement.
- D. If a stop-work order is not canceled and the work covered by the order is terminated for default, the Buyer shall allow, by equitable adjustment or otherwise, reasonable costs resulting from the stop-work order

4.4 SUSPENSION OF WORK

- A. The Buyer may order the Subcontractor, in writing, to suspend, delay, or interrupt all or any part of the work of this subcontract for the period of time that the Buyer determines appropriate for the convenience of the Buyer.
- B. If the performance of all or any part of the work is, for an unreasonable period of time, suspended, delayed, or interrupted (1) by an act of the Buyer in the administration of this subcontract, or (2) by the Buyer's failure to act within the time specified in this subcontract (or within a reasonable time if not specified), an adjustment shall be made for any increase in the cost of performance of this subcontract (excluding profit) necessarily caused by the unreasonable suspension, delay, or interruption, and the subcontract modified in writing accordingly. However, no adjustment shall be made under this clause for any suspension, delay, or interruption to the extent that performance would have been so suspended, delayed, or interrupted by any other cause, including the fault or negligence of the Subcontractor, or for which an equitable adjustment is provided for or excluded under any other term or condition of this subcontract.
- C. A claim under this clause shall not be allowed—
 - 1. For any costs incurred more than 20 days before the Subcontractor shall have notified the Buyer in writing of the act or failure to act involved (but this requirement shall not apply as to a claim resulting from a suspension order); and
 - 2. Unless the claim, in an amount stated, is asserted in writing as soon as practicable after the termination of the suspension, delay, or interruption, but not later than the date of final payment under the subcontract.

4.5 POSSESSION PRIOR TO COMPLETION

Buyer and/or the Government shall have the right to move into Subcontractor's working and storage areas and the right to take possession of or use any completed or

Mission Support Alliance Provision

partially completed part of Subcontractor's work as Buyer or the Government deem necessary for their operations. In the event Buyer or the Government desires to exercise the foregoing right, Buyer will so notify Subcontractor in writing. Such possession or use shall not constitute acceptance of Subcontractor's work.

4.6 NOTICE OF COMPLETION AND FINAL ACCEPTANCE

- A. When Subcontractor deems the work fully completed, including satisfactory completion of such inspections, tests, and documentation as are specified in this Subcontract (or in the release Scope of Work and/or testing and acceptance plan), Subcontractor shall, within ten (10) working days thereafter, give a written Notice of Completion of the work to Buyer, specifying the work completed and the date it was completed. Within thirty (30) calendar days after receipt of said Notice of Completion, Buyer may inspect the work and shall either reject the Notice of Completion and specify defective or uncompleted portions of the work, or shall give the Subcontractor a written Notice of Acceptance of the work either for the purpose of final payment only, or for the purposes of final payment and final acceptance.
- B. In the event Buyer rejects the Notice of Completion and specifies defective or uncompleted portions of the work, Subcontractor shall within five (5) working days, provide for Buyer review and approval, a schedule detailing when all defects will be corrected and/or the work will be completed and shall proceed to remedy such defective and uncompleted portions of the work. Thereafter, Subcontractor shall again give Buyer a written Notice of Completion of the work, specifying a new date for the completion of the work based upon the date such defective or uncompleted portions of the work were corrected. The foregoing procedure shall apply again and successively thereafter until Buyer has given Subcontractor written Notice of Acceptance for purposes of final payment and final acceptance.
- C. Any failure by Buyer to inspect or to reject the work or to reject Subcontractor's Notice of Completion as set forth above, shall not be deemed to be acceptance of the work for any purpose by Buyer nor imply acceptance of, or agreement with, said Notice of Completion.

5.0 WORK CONDITIONS

5.1 CONTRACTUAL RELATIONSHIP

Subcontractor represents that it is fully experienced and properly qualified to perform the class of work provided for herein, and that it is properly equipped, organized and financed to perform such work. Subcontractor represents that at the time of submission of its proposal for performance of the work, it was properly licensed and qualified to do business in all governmental jurisdictions in which the work is to be performed. Upon written request by Buyer, Subcontractor shall furnish to it such evidence as Buyer may require relating to the Subcontractor's ability to fully perform this Subcontract. Nothing contained

Mission Support Alliance Provision

in this Subcontract or any other Subcontract awarded by Subcontractor shall create any contractual relationship between any Subcontractor and Buyer or the Government.

Subcontractor agrees that Subcontractor is an independent Subcontractor and an employer subject to all applicable unemployment compensation, occupational safety and health, workers' compensation, or similar statutes so as to relieve Buyer of any responsibility or liability for treating Subcontractor's employees as employees of Buyer for the purpose of their safety or of keeping records, making reports or paying of any payroll taxes or contribution; and Subcontractor agrees to defend, indemnify and hold Buyer harmless and reimburse it for any expense or liability incurred under said statutes in connection with employees of Subcontractor, including a sum equal to any unemployment benefits paid to those who were Subcontractor's employees, where such benefit payments are charged to Buyer under any merit plan or to Buyer reserve account pursuant to any statute. The Subcontractor further agrees, as regards the items set forth below and for work under this Subcontract, that it will keep and have available all necessary records and make all payments, reports, collections and deductions and otherwise do any and all things so as to fully comply with all federal, state and local laws, ordinances and regulations as they affect performance of this Subcontract, so as to fully relieve and protect Buyer and the Government from any and all responsibility or liability therefore or in regard thereto: (1) the production, purchase and sale, furnishing and delivering, pricing, and use or consumption of materials, supplies and equipment; (2) the hire, tenure or conditions of employment of employees and their hours or work and rates of the payment of their work, and (3) the keeping of records, making of reports, and the payment, collection and/or deduction of federal, state, commonwealth and local taxes, contributions, pension funds, welfare funds or similar assessments.

5.2 SUBCONTRACTS AND PURCHASE ORDERS

- A. Subcontractor shall not subcontract any on-site work and/or any significant aspects of off-site Subcontract performance without first identifying the proposed Subcontractor and Subcontract scope to Buyer. When requested by Buyer, Subcontractor shall furnish Buyer a copy of the proposed Subcontract demonstrating that all appropriate flow-down provisions and requirements are included and will be met. Buyer reserves the right to reject any proposed Subcontract or Subcontractor as incomplete or unsuitable. Failure of Subcontractor to notify Buyer in advance of Subcontracting may be considered a material breach of these Subcontract terms.
- B. Subcontractor is responsible for Subcontract performance and performance of its lower-tier Subcontractors regardless of having notified Buyer of the intent to Subcontract. On request of Buyer, any Subcontractor not performing in accordance with the terms of this Subcontract shall be replaced at no additional cost to Buyer and shall not be employed again on the work.

Mission Support Alliance Provision

- C. Subcontractor shall include a provision in every Subcontract authorizing assignment of such Subcontract to Buyer or the Government without requiring consent from such Subcontractor or supplier
- D. As used in clause “A” above, the term “Subcontract” shall also include purchase orders and rental agreements for materials or equipment, and the term “Subcontractor” shall also include vendors or suppliers of such material or equipment when significant to Subcontract performance.

5.3 PERMITS AND LICENSES

Subcontractor shall promptly apply for and procure without additional compensation all permits (except for such permits as may be specifically set forth as Buyer responsibility elsewhere in this Subcontract), certificates and licenses required by governmental authorities having jurisdiction over the work, Subcontractor or the location of the work.

5.4 CONFIDENTIAL AND CONTROLLED-USE INFORMATION

- A. Confidential and Controlled-Use Information obtained by Subcontractor from Buyer or the Government in connection with this Subcontract shall be held in confidence by Subcontractor and shall not be disclosed to third parties or used by Subcontractor for any purpose other than for the performance of this Subcontract or as authorized in writing by Buyer.
- B. This information, which can include controlled-use (documents marked Official Use Only (OUO), Classified, Unclassified Controlled Nuclear Information (UCNI), Export-Controlled Information (ECI), and Naval Nuclear Propulsion Information (NNPI)), designs, drawings, technical experience, software, processing systems, databases, financial, intellectual property, trade secrets, customers, vendors, personnel records, research, development, inventions, plans, manufacturing, engineering, accounting, bid data, sales, marketing, Subcontract terms, and any information generated pursuant to work performed in accordance with the Subcontract (collectively, Confidential Information), constitutes a commercial asset or information relating to national security of considerable value to Buyer and the Government.
- C. Subcontractor shall use such confidential information only for the purpose of performing work in accordance with the Subcontract. Confidential Information may only be released on a need to know basis to employees and Subcontractors who agree to safeguard the information. Subcontractor shall make all reasonable efforts to ensure its employees and lower-tier Subcontractors, maintain such confidential information in strictest confidence. Subcontractor may not disclose Confidential Information to any other person (including the media for purposes of publicity), partnership, venture, firm, government, or corporation without the express written consent of Buyer or the Government, as appropriate.

Mission Support Alliance Provision

- D. All Confidential Information furnished by Buyer or the Government, or documentation developed by Subcontractor in performance of this Subcontract shall remain Buyer's property. Upon completion of work, Subcontractor shall either destroy or return such documentation and any other confidential information reduced to tangible or electronic form, including copies thereof, to Buyer unless Buyer consents otherwise.
- E. Nothing contained in the Subcontract, or in any disclaimer made by Buyer or the Government, shall be construed to grant Subcontractor any license or other rights in or to disclose confidential information or any patent, trademark, or copyright that has been or may be issued unless expressly conveyed by written agreement exclusive of the Subcontract.
- F. In the event that work performed by Subcontractor in accordance with the Subcontract involves the collection or generation of data on persons or associations, Subcontractor shall maintain strict confidentiality of records in accordance with the laws of the State of Washington; the Privacy Act of 1974 (5 U.S.C. 552a); provisions of the Fair Credit Reporting Act (15 U.S.C. 1681); and other applicable federal and state agency regulations. Violations of these statutes may result in criminal penalties.

5.5 MATTERS OF COUNTERINTELLIGENCE CONCERN

- A. Any and all Subcontractor/Subcontractor employee(s) contacts with individuals of any nationality while either within or outside the United States, and while either within or outside the scope of the Subcontractor's official activities in which: illegal or unauthorized access is sought to classified or otherwise sensitive information or Special Nuclear Material by any means.
- B. The Subcontractor/Subcontractor employee(s) becomes aware of, through circumstance, observation, third party notice or contact, or other source, while either within or outside the United States; any acts, activity or person(s) attempting to obtain, or obtaining, illegal or unauthorized access to classified or otherwise sensitive information or Special Nuclear Material by any means.
- C. The Subcontractor/Subcontractor employee(s) has concerns that he/she may be a target of actual or attempted exploitation by a foreign national or entity.

Mission Support Alliance Provision

- F. The Subcontractor/Subcontractor employee(s) is traveling to a DOE declared sensitive country on official DOE sponsored travel, regardless of clearance level.
- G. The Subcontractor/Subcontractor employee(s) is traveling for pleasure or as sponsored by a non-DOE/corporate interest to a DOE declared sensitive country and is in possession of a United States (U.S.) DOE security clearance or has held a U.S. DOE security clearance within the past five years, or is currently being processed for a U.S. DOE security clearance.
- H. The Subcontractor/Subcontractor employee(s) is traveling to any country outside the U.S. to discuss a sensitive subject.
- I. The Subcontractor/Subcontractor employee(s) is traveling to any country outside the U.S. wherein that travel is sponsored, in part or in whole, by a foreign country.

5.6 PUBLICITY

Subcontractor shall not make news releases, publicize or issue advertising pertaining to the work or this Subcontract without first obtaining the written approval of Buyer.

5.7 PROPRIETARY RIGHTS

All materials which Subcontractor is required to prepare or develop in the performance and completion of Subcontractor's scope of work hereunder, including documents, calculations, maps, sketches, notes, reports, data, models and samples, and any and all inventions and copyrightable material contained therein, shall become the sole and exclusive property of Buyer. Subcontractor agrees to execute all documents and to take all steps requested by Buyer which are desirable to complete such ownership and property rights.

5.8 TRAVEL

- A. General Reimbursement Policy
 - 1. Travel expenses will be reimbursed **only** when authorized in advance by the designated Contract Specialist for this Subcontract. Expenses must be in accordance with the Federal Travel Regulations (FTR), this clause, and any other Subcontract provisions agreed upon prior to traveling. Reimbursement for travel under this Subcontract is strictly limited to costs incurred for lodging, meals, and incidental expenses deemed reasonable, allowable, and allocable under the FTRs and this Subcontract. Costs may be based on per diem, actual expenses or a combination of both provided that costs shall be considered to reasonable and allowable only to

Mission Support Alliance Provision

the extent that they do *not exceed* on a daily basis the maximum per diem rates in effect at the time of travel as set forth in the FTR. Links to the [FTRs](#) and [current per-diem rates](#) can be found on the GSA web site (www.gsa.gov).

2. At all times, the Subcontractor is expected to take reasonable steps to minimize the amount of travel expenses (i.e. booking all travel at least 14 days in advance). Submittal of an invoice to the Buyer that includes travel expenses signifies Subcontractor's certification to the above. Failure to comply with these provisions may cause any request for travel reimbursement to be denied.

B. Time Limitations

1. Domestic Extended Personnel Assignments

- (a) Domestic extended personnel assignments are defined as any assignment of subcontractor personnel to a domestic location different than their normal duty station for a period expected to exceed 30 consecutive calendar days.
- (b) For personnel on approved domestic assignments, Subcontractors will be reimbursed the lesser of temporary relocation costs (FTR 302-3.4 – 302-3.429) or a reduced per diem as described in subparagraphs (c) and (d) below.
- (c) Lodging -For the first 60 days and last 30 days of the assignment, the Subcontractor will be reimbursed costs associated with lodging at the lesser of actual cost or 100% of the Federal per diem rate at the assignment location. The intervening days will be reimbursed at the lesser of actual cost or 55% of Federal per diem rate for lodging.
- (d) Meals and Incidentals - For the first 30 days and last 30 days of the assignment, MSA will reimburse costs associated with meals and incidental expenses (M&IE) at the lesser of actual cost or 100% of the Federal per diem rate at the assignment location. The intervening days will be reimbursed at the lesser of actual cost or 55% of Federal per diem rate for M&IE.
- (e) Trips Home – One trip home, to the primary residence, after each four consecutive weeks of assignment at the

Mission Support Alliance Provision

Hanford Site is reimbursed when preapproved by MSA subject to the following:

- (1) While traveling and at home, no per-diem expenses are reimbursable and no labor time will be billed to MSA.
 - (2) Coach airfare will be via the most direct route in accordance with FTR guidelines. The Subcontractor is expected to book travel at least two (2) weeks in advance in order to secure the cheapest airfare.
 - (3) Trips home are neither “bankable,” transferable nor cumulative.
2. Longer Term Assignment (three hundred sixty-six (366) days and over): For any assignment exceeding 365 days, the Subcontractor will not be reimbursed any costs associated with lodging, meals and incidentals or trips home. If an assignment has breaks within a three year period, the calculation of the total length of the assignment will be as follows: If the break between the assignments is less than 12 months, MSA will consider the assignment continuous for the purposes of the three year clock. If the break is greater than 12 months, the assignments will be considered as separate assignments for purposes of the three year clock.
3. Intermittent Travel
 - (a) For Subcontractor personnel on intermittent travel directly required by MSA to the same domestic location for less than 30 consecutive calendar days, the Subcontractor will be reimbursed as set forth in paragraph A above, unless the provisions of subparagraph 3 (c) below apply.
 - (b) If any intermittent travel assignment includes trips that are in excess of 30 consecutive calendar days to the same domestic location, then the rules on Domestic Extended Personnel Assignment per B.1 and B.2 above will apply. If the Subcontractor believes it is not practical or cost effective to obtain long term lodging, the Subcontractor may request a specific preapproval to waive this restriction. Until such approval has been granted, costs for travel will be treated as set forth in B.1 and B.2 above.

Mission Support Alliance Provision

- (c) If there is a Subcontract requirement for recurrent intermittent travel of less than 30 consecutive days per trip to the same domestic location over a period of 6 months or more, a cost analysis will be mutually performed to determine if the use of long-term lodging would be more cost effective. - A. Any claim, demand, cause of action, liability, loss, or expense arising by reason of Subcontractor's actual or asserted failure to comply with any law, ordinance, regulation, rule or order, or with this Subcontract. This Clause 11.1 includes, but is not limited to, fines or penalties by Government authorities and claims arising from Subcontractor's actual or asserted failure to pay taxes.

Subcontractor's indemnity obligations shall apply regardless of whether the party to be indemnified was concurrently negligent, whether actively or passively, excepting only where the injury, loss, or damage was caused solely by the negligence or willful misconduct of, or by defects in design furnished by, the party to be indemnified. Subcontractor's defense and indemnity obligations shall include the

Mission Support Alliance Provision

duty to reimburse any attorney's fees and expenses incurred by Buyer or the Government for legal action to enforce Subcontractor's indemnity obligations.

- F. In the event that the indemnity provisions in this Subcontract are contrary to the law governing this Subcontract, then the indemnity obligations applicable hereunder shall be construed to be to the fullest extent allowable by applicable law.

Subcontractor shall not be liable for loss of or damage to property of the Government that (1) occurs after Buyer acceptance of services performed under this Subcontract and (2) results from any defects or deficiencies in the services performed or materials furnished except as provided in paragraphs 2 and 3 below, and except to the extent that the Subcontractor is expressly responsible under this Subcontract for deficiencies in the services required to be performed under it (including any materials furnished in conjunction with those services).
- B. The term "Subcontractor's Managerial Personnel," as used in this clause, means the Subcontractor's directors, officers, and any of the Subcontractor's managers, superintendents, or equivalent representatives who have supervision or direction of:

- B. The Contract Specialist shall terminate by delivering to the Subcontractor a Notice of Termination specifying whether termination is for default of the Subcontractor or for convenience of the Buyer the extent of termination, and the effective date. If, after termination for default, it is determined that the Subcontractor was not in default or that the Subcontractor's failure to perform or to make progress in performance is due to causes beyond the control and without the fault or negligence of the Subcontractor as set forth in the Excusable Delays clause, the rights and obligations of the parties will be the same as if the termination was for the convenience of the Buyer.
- C. After receipt of a Notice of Termination, and except as directed by the Contract Specialist, the Subcontractor shall immediately proceed with the following obligations, regardless of any delay in determining or adjusting any amounts due under this clause:
 1. Stop work as specified in the notice.

6. Transfer title (if not already transferred) and, as directed by the Contract Specialist, deliver to the Buyer—
 - i. The fabricated or unfabricated parts, work in process, completed work, supplies, and other material produced or acquired for the work terminated;
 - ii. The completed or partially completed plans, drawings, information, and other property that, if the contract had been completed, would be required to be furnished to the Buyer; and

7. Complete performance of the work not terminated.

Within 15 days, the Buyer will accept the items and remove them or enter into a storage agreement. The Contract Specialist may verify the list upon removal of the items, or if stored, within 45 days from submission of the list, and shall correct the list, as necessary, before final settlement.
- F. After termination, the Subcontractor shall submit a final termination settlement proposal to the Contract Specialist in the form and with the certification prescribed by the Contract Specialist. The Subcontractor shall submit the proposal promptly, but no later than 1 year from the effective date of termination, unless extended in writing by the Contract Specialist upon written request of the Subcontractor within this 1-year period. However, if the Contract Specialist determines that the facts justify it, a termination settlement proposal may be received and acted on after 1 year or any extension. If the Subcontractor fails to submit the proposal within the time allowed, the Contract Specialist may determine, on the basis of information available, the amount, if any, due the Subcontractor because of the termination and shall pay the amount determined.
- G. Subject to paragraph F. of this clause, the Subcontractor and the Contract Specialist may agree on the whole or any part of the amount to be paid (including an allowance for fee) because of the termination. The subcontract shall be amended, and the Subcontractor paid the agreed amount.
- H. If the Subcontractor and the Contract Specialist fail to agree in whole or in part on the amount of costs and/or fee to be paid because of the termination of work, the Contract Specialist shall determine, on the basis of information available, the amount, if any, due the Subcontractor, and shall pay that amount, which shall include the following:
 - 1. All costs reimbursable under this contract, not previously paid, for the performance of this contract before the effective date of the termination, and those costs that may continue for a reasonable time

Mission Support Alliance Provision

with the approval of or as directed by the Contract Specialist; however, the Subcontractor shall discontinue those costs as rapidly as practicable.

 - ii. The termination and settlement of subcontracts (excluding the amounts of such settlements); and
 - iii. Storage, transportation, and other costs incurred, reasonably necessary for the preservation, protection, or disposition of the termination inventory. If the termination is for default, no amounts for the preparation of the Subcontractor's termination settlement proposal may be included.
 4. A portion of the fee payable under the subcontract, determined as follows:
 - i. If the subcontract is terminated for the convenience of the Buyer, the settlement shall include a percentage of the fee equal to the percentage of completion of work contemplated under the subcontract, but excluding subcontract effort included in subcontractors' termination proposals, less previous payments for fee.
 - ii. If the subcontract is terminated for default, the total fee payable shall be such proportionate part of the fee as the total number of articles (or amount of services) delivered to and accepted by the Buyer is to the total number of articles (or amount of services) of a like kind required by the subcontract.
